

# SYNCRO

More than just control

SYNCRO srl, leading Company of ancillaries for extrusion control based in Italy, is pleased to announce the next step of another important strategic operation, aimed to strengthening its growth, particularly in German speaking Countries opening the new Branch in Germany named **SYNCRO Deutschland GmbH**.

SYNCRO Deutschland GmbH will be keen into Sales, Service and Technical support thanks to the reliability and the expertise of the new German Team.

Especially **Mr. Werner Winter** appointed as Managing Director said: "I'm very excited, to accept this new challenge, supporting such an innovative company with my knowledge after spending more than 30 years in extrusion technology."

The Service Manager, **Mrs. Katrin Weiss** is looking forward to provide our customers with the best possible support. She said: "The service orientation within the Syncro organization impresses me every day and is boosting the efficiency of my work."
